

Community Lending Program Qualifiers Guide

The Community Lending Program (CLP) offers flexible, low-rate advances with terms up to 30 years. CLP is available through a \$2 billion revolving pool of funds that FHLBank Pittsburgh members can access by demonstrating that they have made, or will make, qualified loans to community projects.

Use the below guide to help identify qualified projects. Lending activity can be qualified for CLP prior to closing, or up to 90 days after closing. Completed applications can be sent to clp@fhlb-pgh.com.
