

# Term-Out Tuesdays Return! Great Rates on Term Advances Through Aug. 21

Each Tuesday July 17 through Aug. 21, members have the opportunity to access term advances at reduced borrowing rates. On those days, our pricing on advances, especially for terms of two to 30 years, will be particularly attractive, with the best rates available between 9:30 a.m. and noon.

Our members tell us that Term-Out Tuesdays provide the flexibility to extend liabilities to counterbalance the risk of rising short-term rates.

As always, our current advance rates are available on Bank4Banks® at approximately 9:30 a.m. each day. If you would like to discuss advance pricing, please call your Business Development Manager or contact the Product Delivery Service Center at 800-288-3400, option 2.
