

# Term-Out Tuesdays Return! Great Rates on Term Advances Through May 21

Each Tuesday beginning April 16 through May 21, members have the opportunity to access term advances at reduced borrowing rates. On those days, our pricing on advances, especially for terms of 18 months to 10 years, will be particularly attractive, with the best rates available between 9:30 a.m. and noon.

As always, our current advance rates are available on Bank4Banks<sup>®</sup> at approximately 9:30 a.m. each business day. If you would like to discuss advance pricing, please contact your Business Development Manager or call the Bank at 800-288-3400, option 2.
