**SUBJECT: 2019 Home4Good Funding to Help Individuals Facing Homelessness**

FHLBank Pittsburgh’s Home4Good product helps those who are homeless or at risk of becoming homeless by channeling dollars to local service providers that know how to help. More than \$7 million in Home4Good funding will be available in 2019 through partnering state housing finance agencies (HFAs). FHLBank members interested in participating still have time to get involved.
