SUBJECT: 2019 FFD Funding Round Is Now Closed

For the 2019 First Front Door (FFD) funding round, FHLBank Pittsburgh allocated \$12 million in funding to help qualified first-time homebuyers with down payment and closing costs. Demand for FFD funds was high, and as a result, we are announcing that no new FFD registrations will be accepted for the 2019 round.

Applications in a "Reservation Request Submitted" status prior to 11:30 a.m. Eastern time today will be reviewed and allocated on a first-come, first-served basis. No submitted applications are guaranteed funding.

Thank you for your participation in the 2019 program. We look forward to working with you again in 2020. Once available, details about the 2020 FFD round will be posted to FHLBank's [FFD webpage](#).
