## 2020 First Front Door Round Information and Resources

The 2020 First Front Door (FFD) funding round opens on March 16 with \$12.8 million available to assist qualified first-time homebuyers. FFD helps homebuyers by supplementing the funds put toward down payment and closing costs through a 3-to-1 matching grant – for every \$1 provided by the homebuyer, FFD will provide \$3 in assistance, up to \$5,000.

Each member's access to FFD funds will initially be subject to a cap of 15 percent of the total allocation available. If any funds remain four months after the round opening date, the remaining funds will be made available to all members on a first-come, first-served basis – without the member cap – until all funds are depleted.

To prepare for the round, members are encouraged to review the following resources, which have been updated for 2020:
