

FHLBank Update

2020 AHP Round Closing Today at 5 p.m.

FHLBank Pittsburgh's 2020 Affordable Housing Program (AHP) funding round will close **at 5 p.m. Eastern time today, Aug. 11**. To ensure that your AHP Online application is complete and submitted to FHLBank by that time, the following steps are required:

- The project lead sponsor must change the application status from "Pending" to "Sponsor Approved"
- The project member contact must complete two member screens and update the application status from "Sponsor Approved" to "Member Approved"

Applications must be in "Member Approved" status by 5 p.m. Eastern time on Aug. 11 to be considered complete. Applications not in "Member Approved" status by that time will not be considered completed or submitted to FHLBank.

Once the member approves the application, it is considered complete and cannot be edited. FHLBank cannot revert an AHP application status for changes or further input.
