2020 FFD Funding Round Is Now Closed

Today, we are announcing that no new First Front Door (FFD) registrations will be accepted for the 2020 FFD funding round. This year, FHLBank Pittsburgh allocated \$12.8 million to help qualified first-time homebuyers with down payment and closing costs. As a result of high demand, the 2020 round is now closed.

Applications in a "Reservation Request Submitted" status prior to 11 a.m. Eastern time today, July 30, will be reviewed and allocated on a first-come, first-served basis. No submitted applications are guaranteed funding.

Thank you for your participation in the 2020 round. We look forward to working with you again in 2021. Once available, details about the 2021 FFD funding round will be posted to FHLBank's [FFD webpage](#).

If you have questions about FFD, please contact Alexa Mascara at 800-288-3400, ext. 3427, or firstfrontdoor@fhlb-pgh.com.
